OUTSTANDING EXPORT SALES--AS OF NOVEMBER 4

Reported outstanding export sales for the 1973-74 marketing year were down from a week earlier for most commodities as reported exports and adjustments in previously reported sales more than offset new sales according to the Crop Reporting Board.

Upland Cotton was the most notable of the few commodities for which new sales for the current marketing year exceeded exports and adjustments during the week. Other commodities for which the outstanding sales as of November 4 were above a week earlier include soft red winter wheat, wheat products, barley, soybean oil, and cottonseed oil.

ALL WHEAT outstanding export sales for the 1973-74 marketing year to known and yet unknown destinations of 21,525,100 MT (metric tons) compares with 22,297,000 MT a week earlier. Sales to unknown destinations account for 26 percent of the all wheat total with unknown destinations accounting for over half the reported durum sales.

FEED GRAIN outstanding sales in the current marketing year of U. S. origin grain totaled 36,144,800 MT, down from the 37,501,800 MT level of a week earlier. Sales to unknown destinations represent 18 percent of the current total.

SOYBEAN export sales for the 1973-74 marketing year at 14,729,000 MT compares with 15,294,500 MT as of October 28. Sales to unknown destinations represent 17 percent of the total.

ALL UPLAND COTTON sales for this marketing year to known and unknown destinations of 5,713,600 bales is up from a week earlier. All classes of upland cotton reported increases over the previous week. Sales to unknown destinations account for 4 percent of the total.

ALL RICE outstanding sales for the current marketing year to known and unknown destinations at 613,700 MT had a decline from the 673,400 MT total of a week earlier. Sales to unknown destinations represented 6 percent of the total.

The data represent a tabulation of all reports of export sales submitted to USDA's Statistical Reporting Service (SRS) as required by Section 812 of the Agriculture and Consumer Protection Act of 1973. U. S. exporters of wheat and wheat flour, feed grains, oilseeds, rice, cotton and products thereof, are required to report weekly to SRS.

U. S. GRAINS: Exports and inspections for export
(All data in 1,000 bushels)
